Date of Policy adoption by Governing body	March 2026
Frequency of review	Annually
Review due	March 2027

Admissions at normal age of entry: academic year 2026/2027

The normal point of entry for Burleyfields Primary School is Reception where upon 30 full time places will be available in September of the academic year in which the child becomes five years old.

In accordance with legislation, children who have an education, health and care plan (EHCP) that names a particular school as being the most appropriate to meet the child's needs must be admitted to that school. This will reduce the number of places available to other applicants.

Oversubscription criteria

If the total number of preferences for admission to Burleyfields Primary School exceeds the published admission number (PAN) of 30, the following order of priority is used to allocate the available places:

1. Children in care and children who ceased to be in care because they were adopted (or became subject to a child arrangements order or special guardianship order), including those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted *see additional note * below*.
2. Children whose current exceptional circumstances satisfy both of the following tests: Test 1:

the child is distinguished from the great majority of other applicants either on their own medical grounds which requires regular and sustained medical treatment or by other extreme exceptional circumstances.

o Medical grounds must be supported by a medical report (obtained by the applicant and provided at the point of application). This report must clearly justify, for health reasons only, why it is better for the child's health to attend Burleyfields Primary School rather than any other school.

Exceptional circumstances must relate to the choice of school and the individual child, i.e. the circumstances of the child, not the economic or social circumstances of the parent/carer. They should be supported by a professional report (obtained by the applicant and provided at the point of application),

e.g. social worker. This report must clearly justify why it is better for the child to attend Burleyfields Primary School rather than any other school.

and

- o Test 2: the child would suffer hardship if they were unable to attend Burleyfields Primary School rather than any other school.

Hardship means severe suffering of any kind, not merely difficulty, inconvenience or mild to moderate emotional distress, which is likely to be experienced as a result of the child attending a different school. Applicants must provide detailed information (which may be included within the professional's report) detailing both the type and severity of any likely hardship at the time of application.

3. Children who have an elder sibling in attendance at Burleyfields Primary School and who will still be attending at the proposed admission date; (For the application to be prioritised under this criteria the children must be living at the same home address for the majority of the school week and either: have one or both natural parents in common; are related by a parents' marriage; are adopted or fostered by a common parent or are unrelated children who live at the same address, whose parents live as partners.)
4. Children living within the catchment area of Burleyfields Primary School. see *additional notes ** below*
5. Other children arranged in order of priority according to how near their home addresses are to the main gate of the school, determined by a straight-line measurement as calculated by the local authority's geographical information system. see *additional notes **** below*.
- 6.

Where it is not possible to accommodate all children applying for places within a particular category then the academy will allocate the available places in accordance with the remaining criteria. If for instance, all the catchment area children cannot be accommodated, children who are resident within the catchment area will be arranged in order of priority according to criteria 5.

If we cannot distinguish between applicants using the criteria listed, such as in the case of children who live in the same block of flats, then the child or children who will be offered the available spaces will be randomly selected. This process will be independently verified by an officer outside the School Admissions Service.”

Additional Notes

It is the applicant's responsibility to provide any supportive information required in order for the application to be assessed against the published admissions criteria, the academy will not seek to obtain any supportive information on behalf of an applicant in support of a school application.

*Children in care means children who are looked after by a local authority in accordance with section 22 (1) of the Children Act 1989 and who is (a) in care of a local authority, or (b) being provided with accommodation by a Local Authority in the exercise of their social services functions (see definition in Section 22 (1) of the Children Act 1989) at the time of making an application to a school. A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other

provider of care whose sole or main purpose is to benefit society. This includes children who were adopted under the Adoption Act 1976 (see section 12 adoption orders) and children who were adopted under Adoption and Children Act 2002 (see section 46 adoption orders).

Child arrangements orders are defined in Section 8 of the Children Act 1989, as amended by Section 12 of the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order.

Section 14A of the Children Act 1989 defines a “special guardianship order” as an order appointing one or more individuals to be a child’s special guardian (or special guardians).

**Copies of school catchment area maps are available from the local authority or individual schools.

***On behalf of the academy, the local authority uses a geographical information system (GIS) to calculate home to school distances in miles. The measurement is calculated using Ordnance Survey (OS) data from an applicant's home address to the main front gate of the school. The coordinates of an applicant's home address are determined and provided by the Local Land and Property Gazetteer (LLPG) and OS address point data.

Attendance at particular nursery or infant school will not provide priority for admission to Burleyfields Primary School. Even where children are attending infant or nursery schools attached to particular schools, parents must make a separate application for admission to primary school at the appropriate time. The requirement for the local authority to meet the infant class size legislation may result in the refusal of catchment area or sibling applications where a class has already reached its limit of 30 pupils. However, as an exception, the local authority will give careful consideration to offering places above the published admission number to applications from children whose twin or sibling from a multiple birth is admitted even when there are no vacant places.

Admissions for the normal age of entry are administered through a coordinated admission scheme will be processed centrally by the School Admissions and Transport Service. The aim of the scheme is to ensure that each child will receive only one offer of a place at a maintained school on a prescribed date.

If there are persons with parental responsibility not residing at your child’s address, it is your responsibility to notify and/or consult them before applying and expressing a preference for a school. Where more than one parent applies for a child, or where there is a parent not in agreement with the preferences, the Local Authority and any admission authority applied for, legally has to process with the preferences expressed. If the school preferences are not the same, then parents will have to

seek resolution and if necessary legal resolution. It may be necessary for the courts to determine which parent can make the final decision on schooling. The local authority is not able to intervene in disputes between parents over school applications and will request that these are resolved privately.

Home address

The home address is considered to be the child's along with their parent/carer's main and genuine principal place of residence at the time of the allocation of places i.e. where they are normally and regularly living. If a child is resident with friends or relatives (for reasons other than legal guardianship) the friends or relatives address will not be considered for allocation purposes. (See below for clarification of position in respect of children of armed forces families.)

Where parents have shared responsibility for a child, and the child lives with both parents for part of the school week, parents will be required to provide documentary evidence to support the address they wish to be considered for allocation purposes. If a child's home address changes during the admissions process it is the responsibility of the parent/carer to inform the local authority immediately. Where there is a proposed house move taking place during the admissions process the local authority will only accept the revised address for purposes of allocation where parents/carers can provide documentary evidence of the move by 5 March 2027. It will be necessary for sufficient evidence of a permanent move to be provided by the applicant by this date before it will be taken into account for allocation purposes at the national offer date.

If a place is offered on the basis of an address that is subsequently found to be different from the child's normal and permanent home address at the time of allocation of places then that place is likely to be withdrawn.

Any Staffordshire child not obtaining a place at any of their parent's preferred schools will be allocated an alternative school place and advised about the independent appeals process.

Children of Armed Forces Families

The Local Authority will allocate a place in advance of the family arriving in the area, provided the application is accompanied by an official letter that declares a relocation date.

For children of armed forces families where an intended home address is provided in support of the application, the Local Authority will use the intended address in respect of applying the oversubscription criteria as long as the family provide some evidence of their intended address. Where an intended address can not be evidenced, the Local Authority will use a Unit or quartering address as the child's home address when considering the application against the oversubscription criteria, where a parent requests this.

Deferred entry to reception class

Parents may decide to defer the date their child is admitted to the school until later in the school year but not beyond the point at which they reach compulsory school age and not beyond the beginning of the final term of the school year for which the application was made. In addition, where the parents wish, children may attend part-time until later in the school year but not beyond the point at which they reach compulsory school age.

Before deciding whether to defer their child's entry to school, parents should visit Burleyfields Primary School to clarify how we cater for the youngest children in reception and how the needs of these children are met as they move up through the academy.

Admission outside of the normal age group

Parents may seek to apply for their child's admission to school outside of their normal age group. In addition, the parents of summer born children may choose not to send their child to school until the September following their fifth birthday and may request that they are admitted outside of their normal age group to reception rather than Year 1.

These parents will need to make an application alongside children applying at the normal age which should explain why it is in the child's best interest to be admitted outside of their normal age which may include information such as professional evidence as to why this is the case and why an exception should be made in the case of the child. A decision as to whether this is an appropriate course of action will be made by the Academy Trust. They will take into account the circumstances of the case including the parent's views and information provided; information about the child's academic, social, and emotional development; where relevant, their medical history and the views of any medical professionals; whether they have previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if it were not for being born prematurely as well as views of the headteacher of the community or voluntary controlled school concerned. Parents do not have the right to insist that their child is admitted to a particular year group.

Waiting lists for Admissions and Normal Point of Entry

Unsuccessful applicants will be placed on a waiting list in accordance with the oversubscription criteria stated above and not based on the date their application was received. There will be a period of two weeks after the national offer date whereby available places will not be reallocated. If places become available after this date they will be offered according to the child at the top of the waiting list. For cases where the infant class size regulations apply, the waiting list will operate until the cohort concerned leaves year 2.

For all other cases, waiting lists will be kept until 31 December 2027. Inclusion on a school's waiting list does not mean that a place will eventually become available.

A child's position on a waiting list is not fixed and is subject to change during the year i.e. they can go up or down the list since each added child will require the list to be ranked again in line with the oversubscription criteria.

Children who are subject of a direction by a local authority to admit or who are allocated to a school in accordance with the fair access protocol will take precedence over those on the waiting list.

Late applications

Preferences received after the closing date will be considered alongside those applicants who applied on time wherever possible. Where it is not practicable because places have already been allocated, or are shortly to be allocated, then late preferences will be considered only after those that were made before this point.

A late application does not affect the right of appeal or the right to be placed on a school's waiting list.

For late applications made after the time that is practicable because places have already been allocated, are shortly to be allocated, there will be a period of two weeks after the national offer date whereby available places will not be reallocated. If places become available after this date they will be offered according to the child at the top of the waiting list.

Repeat applications

Parents do not have the right to a second appeal in respect for the same school for the same academic year unless, in exceptional circumstances, the academy has accepted a second application from the appellant because of a significant and material change in the circumstances of the parent, child or school but still refused admission.

"In-year admission" arrangements

Parents or carers seeking to be admitted to Burleyfields Primary School may make an application directly to the preferred school using the appropriate [application form](#). This application will be processed in line with the procedure outlined in the determined admission arrangements and parents and carers need to be aware that in the case of transfers between local schools, any date set for joining the new school may be after the next term or half term holiday and those parents/carers are responsible for ensuring that their child continues to receive appropriate education in the interim.
