

Burleyfields Primary School Nursery

Nursery Provision 2025-26

Burleyfields Nursery is due to open in September 2025.

This prospectus should help answer any queries you have, as well as give you an insight into what Burleyfields Nursery School will be like.

As the Nursery is not yet built, we can offer tours of either Parkside or Beaconfields Primary School Nursery, if you would like to arrange this or if you have any further queries, please feel free to contact Mrs R Bell (Principal Designate)

Principal Designate: Mrs. Rebecca Bell

Thank you for taking the time to consider Burleyfields Primary School as a provider for your child's education.

We are delighted to be opening a state-of-the-art provision in 2025, which will offer full and part time places for children aged 2 and over.

At Burleyfields we will create a family ethos where everyone belongs and is valued. Children will be at the heart of all that we do, and we will work in partnership with parents and carers to achieve the best together.

I would be delighted to welcome your child to the very first cohort of children at Burleyfields which I am confident will be a beacon of educational excellence for many years to come.

Rebecca Bell

Nursery Curriculum:

All schools and Ofsted-registered Early Years providers must follow the Early Years Foundation Stage statutory framework, this sets the standards that all Early Years providers must meet to ensure that children learn and develop well and are kept healthy and safe. It promotes teaching and learning to ensure children's 'school readiness' and gives children the broad range of knowledge and skills that provide the right foundation for good future progress through school and life.

At Burleyfields, we will place children at the centre of all we do by creating a high-quality Early Years provision where children have the opportunity to lead their own learning in an inclusive and supportive environment.

The Nursery at Burleyfields will be open daily during school term time to provide a full and busy play-based curriculum for children aged 2, 3 and 4.

The environment will comprise of a spacious classroom and outdoor area. Alongside focused daily Phonics, Numeracy and Literacy activities, staff will plan play experiences based on the children's interests. There will be a variety of play spaces including role-play, sand, water, sensory, construction, small world and reading areas.

Weekly Forest School sessions will be part of our weekly timetable, offering many outdoor learning opportunities such as den building, climbing, and learning how to use tools. This process encourages the development of spatial awareness and gross and fine motor skills. Forest School also provides exposure to manageable risk, which encourages and teaches children how to assess risk.

Snack:

A healthy snack will be provided free of charge during each session. We ask that you provide a water bottle each day so your child can access fresh drinking water at any time. Prior to your child starting Nursery you will be asked to inform us about any special dietary requirements, preferences, and food allergies that the child has, and any special health requirements.

Nappy changing:

We will support toilet training within the setting. Please provide a supply of nappies and baby wipes for your child to be kept in the setting if they are not yet toilet trained. Parents will be informed when these need replenishing.

Sun cream:

During the warmer weather children should arrive at Nursery with sun cream applied and provide a bottle for further application if they are in all day.

Uniform:

We request that all children wear the Burleyfields Nursery Uniform, this will be available prior to opening ~~across a number of outlets.~~

Session Times and Prices:

Provisional prices and session times provided are set out below, they will be confirmed in Spring 2025 and are subject to change. Any funded hours you are eligible for will be offset against these charges.
