

BURLEYFIELDS

BULLETIN

WEEK BEGINNING 8TH
SEPTEMBER

Spotlight on our learning

It has been a busy week at Burleyfields with the children taking their learning outdoors despite the rainclouds.

Nursery children enjoyed exploring the changing season by collecting autumnal objects. Nursery have enjoyed singing songs and rhymes as part of their Phonics learning.

Reception have read the story Whatever Next! and learnt to verbally retell the story using Talk for Write actions. They also sequenced images from the story and learnt four new phonemes.

This week the children were taught by Mrs Almond for their PE in Nursery and Physical Development in Nursery.

Have a lovely weekend.
Mrs Bell

What's New

FAMILY

We are now using the Family platform to communicate information about your child's learning. Nursery parents will receive information about nappy changes and meals. If you have anything you would like your child to share with us then please send it to us via message and we will be happy to celebrate your child's successes.

Phone number

Our new school phone number is:

01785 564869

This will ring directly to Mrs Sephton at Burleyfields should you need to contact us. Please update your contacts.

Upcoming

Reception Teddy Bears' Picnic -
Friday 19th 3:30-4:30pm
