

# BURLEYFIELDS BULLETIN

WEEK BEGINNING 8th  
DECEMBER

## Spotlight on our learning

It has been truly magical to welcome our families into the hall for our two Nativity performances this week. The children sung their hearts out, acted and danced for their performance of Christmas Counts. It is amazing to think that this group of children have made history by performing the first, ever Christmas Nativity in the Burleyfields hall. We are very proud of them!

This week Nursery children have applied their knowledge and understanding of frost and winter in a sensory tray. Reception children have been learning about day and night as part of their Maths.

All of our children have enjoyed the outdoor learning areas this week with opportunities for large motor movements and fine motor skills being planned for. Our Reception children decorated baubles with natural objects and cleaned baubles with mini sponges. Nursery children have dug in sand with diggers and used their new climbing equipment.

We are very much looking forward to the magical learning planned for our children in the last week of term.

Have a lovely weekend,

Mrs Thorley

## Attendance

Our whole school attendance is 86.9% this week, unfortunately many of our children have been hit by illness. Let's hope next week is better!

## Parking Restrictions

There are now parking restrictions in place on the single yellow lines outside of school. There is no waiting Monday – Friday 8.00 – 9.30am & 2.30 – 4.00pm. As always, we please ask that you park respectfully of our neighbours and do not block drives. Thank you for your understanding.
