

Welcome to...

BRAMBLES

Wrap Around Care Provision

Burleyfields Primary School

Dear Parents/Carers,

Welcome to **BRAMBLES** – the wrap around care provision here at Burleyfields Primary School.

We are so pleased to welcome your child to Brambles, where they'll find a safe, welcoming and engaging environment to begin and end their school day with a smile!

At Brambles we strive to create an engaging, calm and caring atmosphere where children can relax, play and thrive. From imaginative crafts to group games and homework help, we offer a wide range of activities to suit every child's interests.

In the mornings, Brambles provides children with a gentle start to their day, offering healthy breakfast choices and time for free play and socialisation.

After school, children will enjoy a healthy snack and take part in a mixture of structured and free-choice activities. Please find a summary of our planned activities for this year attached.

We believe that strong communication between home and Brambles is key and welcome any questions, suggestions or conversations. Please don't hesitate to speak to a member of our team.

We're really looking forward to making some lovely memories in Brambles this year!

Kindest regards,
The Brambles Team
