

BURLEYFIELDS BULLETIN

WEEK BEGINNING 12th
January

Spotlight on our learning

It has been another busy week of learning at Burleyfields.

Our two-year-olds have enjoyed using their Squiggle, gross motor movements, outside. Our Nursery children have enjoyed applying their physical development skills in the outdoor area by rolling a variety of balls. Reception children have worked collaboratively to build dens and are waiting for a wintery day to look for signs of winter.

This week all our children have enjoyed winter themed texts to underpin their learning with our two-year-olds reading Squirrel's Snowman, preschool reading Pip and Posy's Snowy Day and Reception enjoying The Snow Thief. The snow last week certainly helped our children relate to their own experiences!

Our after-school clubs for Reception have been a huge hit and it has been lovely to see so many children in attendance. Don't forget you can book a space via Arbor.

This week myself and Mrs Thorley attended training delivered by Chris Such about the way we teach reading - we are excited to implement this model as our school grows. Miss G has also attended training alongside other Early Career Teachers to collaborate on good practice.

Have a wonderful weekend.

Mrs Bell

Attendance

At lunchtime, our whole school attendance is 93.4%. This is much improved from last week so well done, Burleyfields!

Thank You...

for parking respectfully to our neighbours. We do appreciate your support with this.

What's Coming Up

Thursday 22nd and Friday 23rd January -
Grandparents Lunch.
