

# BURLEYFIELDS BULLETIN

WEEK BEGINNING 19<sup>th</sup>  
January

## Spotlight on our learning

The weeks are flying by at the moment.

This week it has been wonderful to welcome families into Burleyfields for Grandparents' lunch. The children enjoyed sharing this special occasion with their families and loved seeing their special photographs. We really do appreciate all the positive feedback and thank you messages that have been shared with us. Thank you to Matt and Maria in the kitchen and Mrs Mogey, our lunchtime supervisor, for making this event so successful.

Mr Compton, our CEO, also visited us this week and commented on how settled the children are.

Our children in Nursery have enjoyed creating large motor movements as part of their Squiggle programme this week. Our two-year-olds have been busy strengthening their hand muscles by squeezing spray bottles to spray water and paint. Reception children have learnt about Emperor penguins and the important role of the male – ask them to tell you a fact!

We are very excited to open our two-year-old room from Monday with Mrs Hillman and Mrs Brownless being the teachers in this room. Nursery parents, please check your junk mailboxes for more information about this.

Have a lovely weekend.

Mrs Thorley

## Attendance

At lunchtime, our whole school attendance is 93.9%. This is improved from last week, well done! Each day at Burleyfields counts!

## Thank You...

for another week of parking respectfully to our neighbours. We do appreciate your support with this and so do our neighbours.

## What's Coming Up

Half term is Monday 16th February to Friday 20th February. School and Nursery reopens on Monday 23rd February.
